**Ages 5-15 years old (as of Aug. 12th, 2017)
Special Needs children should be in K-12th
grade.**

The Kendallville Park and Recreation Department is sponsoring the 5th Annual Kid's Triathlon to be held August 12th, 2017 at Bixler Lake East Beach. Participation in this event promises to provide a fun, healthy and social atmosphere in a safe environment. We hope to attract a diverse group of children, ages 5-15 (special needs children in Kindergarten-12th grade) with various interest, ability and experience levels. Our goal is for every child to finish the race as we encourage, support and enhance their belief in maintaining a healthy and active lifestyle.
