Social Responsibility Annual Campaign

The Cole Center Family YMCA is a non-profit organization committed to strengthening the foundations of our community, one child at a time.

Our Annual Campaign is a Y initiative that provides scholarships for programs and memberships to children and families in need.

It is our policy that no one be turned away due to the inability to pay. Funds raised through the Annual Campaign remain in our community and are made available to local youth, families and adults.

Your gift matters.

Your contribution to the Annual Campaign is 100% tax deductible and goes right to work in our very own neighborhoods:

- \$50 Gift provides and Early Education Experience for one month
- \$100 Gift provides three children the opportunity to gain self-confidence through youth sports
- \$150 gives one child a summer full of experiences at summer camp
- \$500 provides an unemployed parent a chance to relieve stress with a family membership
- \$1000 improves the quality of life for 8 adults enrolled in a chronic disease prevention program.

If the future of local children and families matters to you, please [invest in them with a gift to our Annual Campaign](#). Visit our website www.coleymca.net and Click the Donate to make a contribution.

Our community thanks you!
